Family name (please print): _____

Student grade(s): _____

E-mail: _____@_____

Signature: _____

Checks should be made payable to: **St. Bernadette School.**

Saint Bernadette School Parent Guild Fair Share Fundraising Program Details

A. Fundraising Commitment of \$300.00

This commitment consists of: 1) a single payment of \$300.00 due on September 1 of the current school year, or 2) two payments of \$150.00. The first payment of \$150.00 is due on September 1 of the current school year with a second payment due on March 1. Families choosing this option fulfill their fundraising commitment for the year and do not have to earn additional fair share points through other fundraisers.

B. 300 Fair Share Point Commitment

If your family chooses this commitment you will be responsible for earning at least 300 Fair Share points by participation in your choice of fundraisers. Each fundraiser has been given a point value based on the amount of money earned for SBS through that fundraiser. You may participate in any combination of fundraisers as long as your total Fair Share points equal at least 300. At this time no money is due just your signed agreement to participate in the Fair Share Point Commitment.

The school will keep track of your Fair Share points. Families who have not earned 300 Fair Share points by the date of the Spring Golf outing will be billed the remaining amount. For example, if at that time your family has earned only 250 fair share points your family will be billed \$50.00 due by the end of the current school year. One exception to this will be for families who are using Fundit to earn some or all of their Fair Share points. They will have until the end of the school year to reach 300 points before being billed.

What is Fundit and how can I use it to earn Fair Share Points?

Fundit is an ongoing fundraiser that has no cost to your family. You purchase gift certificates to grocery stores, restaurants, department stores, specialty stores, etc. at face value. The merchant then gives our school a percentage of the purchase price. For example, if you buy a \$50 Stop & Shop card, you get \$50 worth of groceries – and Stop & Shop gives \$2.50 to St. Bernadette School. Buy a \$100 Land's End gift card and SBS gets \$17 from Land's End.

Using Fundit is easy! Every week your Fundit envelope will come home in your Family Envelope. Fill out the order form and send it back in the envelope with payment on Monday. On Friday, we'll send home your gift cards in the envelope along with a new order form. There will also be weekly walk-in hours at the Fundit Office in the Pastoral Center.

Please see the enclosed Fundit Form to see the huge variety of gift cards available. The front of the form indicates in stock items and the back of the form contains items that can be special ordered. You can also check the website www.glscrip.com, click on the tab "Retailer List" to see what is available.

The Fundit office will keep track of the percentage your gift card purchases have earned for the school. Each dollar your Fundit purchases earn for the school will be equal to one fair share point. To ensure that you have time to earn your Fair Share points throughout the year the Fundit Office will begin processing Fundit Orders during the first week of school.
