

SAINT BERNADETTE SCHOOL GOING GREEN

A couple of years ago we started the process of “going green” with many of the flyers and forms for the school. This year we will continue to expand the use of technology as a means of communicating with our families. This will have several advantages:

- More timely communication with families
- Customized communication to grade levels
- No more lost forms in the bottom of backpacks
- Paper and copy savings

Look for important updates after we begin the school year.

The following documents have been posted to the website and are available to print:

- September School Lunch Menu (this will need to be printed and returned to the office no later than **August 24**- no late menus will be accepted.)
- Uniform Policy
- Uniform Suppliers
- Supply Lists by grade level (these were included in hard copy in the summer mailing)
- Summer Reading Lists by grade level and any activity pages/ assignments associated with them

In addition the flyers and forms from the summer mailing will be posted shortly. All files will be posted in PDF format. You will need the latest version of Acrobat Reader to view these files.

Thank you for your support as we continue to streamline the Home/School Communication.
