

2014 National Blue Ribbon School

In the Fall of 2014, St. Bernadette School was named a **National Blue Ribbon School** by the US Department of Education as an “Exemplary High Performing School.” St. Bernadette School has become the school that it is today because of the continued support of so many generous donors, including the hundreds of golfers who have participated in this Tournament for over 20 years.

The **St. Bernadette School Golf Tournament** is an important fundraiser as it helps to offset operating costs, provides tuition assistance for those in need, and allows the school to offer more academic enrichment programs for its students and professional development for its teachers.

We hope that you will support this important event through a sponsorship, by golfing, or by donating an item for the auction or raffle.
