

I am a student at St. Bernadette School and understand that playing basketball is a privilege afforded to me and is not a right. Accordingly, I understand that I am expected to be a student first and that I am always representing my school, my family and myself. The most important part of playing basketball is learning good sportsmanship and teamwork. By working diligently to improve my athletic skills and by being a good sport and a good teammate, I will have a great basketball season.

I agree that I will:

- Attend all practices, games, meets and team meetings faithfully.
- Be on time for all practices, meets and games and I will contact a coach personally before a practice or game if I will be absent.
- Contact the Athletic Director personally if I no longer want to or cannot participate on the team.
- Maintain good sportsmanship behavior at all times.
- Treat all teammates, opponents, coaches and officials with respect.
- Regard the rules of the game as agreements, the spirit of letter, which I will never evade or break.
- Be cooperative and gracious in victory and defeat.
- Continue to be a good student and understand that academics come first.
- Adhere to the policies of the Student Handbook, behave accordingly and will obey all gym rules.
- Pay for any damage or loss of school property due to my negligence.
- Pick-up the benches and playing area of any trash after a practice, game or meet.
- Follow all reasonable request made by the coaches involving diet, rest and independent practices.
- Represent my school in a Catholic Christian manner, which is consistent with my religious education. I will remember that my behavior and actions, on and off the field, reflect on me, my team and my school.
