Welcome to Third Grade!

The third grade teachers are thrilled to welcome your families to third grade. We will have a wonderful year filled with laughter, love, and learning. Our reading curriculum for third grade is Reading Street and we will also be doing reading groups. In math, we will be studying many different topics including multiplication and division. We look forward to a fantastic year ahead. Until then, read, read, and read some more! Happy Summer!

The Third Grade Team
