

Dear Parents,

Welcome! We are excited to be back and anticipate a happy and productive year.

We are Mrs. Gendron and Ms. Murphy. In fourth-grade, we are departmentalized, which means that each of us has a specific subject that we teach to all the fourth-grade students. Mrs. Gendron teaches English Language Arts and Reading to both 4th grade classrooms. Ms. Murphy teaches Science and Social Studies to both 4th grade classrooms.. We teach Religion and Math to the students who are in our homerooms.

You should have received a classroom supply list. Please make sure your child is prepared with their materials on the first day of school.

We are looking forward to working together to help your child succeed. Additional information with regard to the curriculum, class schedules, expectations and communication will be forthcoming. We appreciate your understanding and cooperation as we begin this new school year together.

Please remind your child that we will be discussing Charlotte's Web when we are in school.

Sincerely,

Mrs. Gendron & Ms. Murphy
