

Dear Parents of Students Entering Grade 1,

Welcome to SBS all new and returning students! As we get ready to start the school year, we want you to know that we have a fun-filled year of learning planned for you. Get ready to read and write, learn your math facts, discover animal habitats and much more!

Below, you will find two lists: Individual School Supplies and Classroom Supplies. Please bring the items on the individual supply list on the first day of school. Your teacher will send home notes for replenishing these supplies as needed throughout the year. Please do not bring any classroom supplies on the first day of school. Your teacher will be assigning these to several students each month.

We look forward to meeting you in September!
The First Grade Team

- 2 container packages of Clorox disinfecting wipes or similar
- 2 packages of baby wipes
