How does the Uniform Resale work?

This is an opportunity for you to sell outgrown uniforms and purchase the next size up. In order to sell an item, it is important to safety pin your information/envelope to each item. Every year we are left with many identical pieces without tags, which are impossible to reunite with the owners. The buyer will use the envelope to pay you for each item. Use the template below to label your envelopes.

It is your responsibility to collect your proceeds and unsold uniforms the day after the sale.

Alternatively, you can donate the items to the school (just label the bag as such).

PLEASE DO NOT SEND IN ANYTHING WITH STAINS OR HOLES! ITEMS IN THIS CONDITION WILL BE THROWN OUT!
